Part #18806RFL

150 ft Roll

Single-layer construction, with **more white** for greater daytime conspicuity.

The **economical choice** for retrofit conspicuity applications.

Impact resistant – keeps photometric requirements after impact – enhances safety after collision or years of wear.

No cracking – tough construction.

Thin and flexible for easy application with 100% adhesion. Superior durability withstands high-pressure washing and resists edge lift.

Microprismatic technology ensures the **longest sight detection distance.**

OEM preferred – can be riveted; no edge sealing required.

No coupon necessary.

Prices valid from May 15, 2017 through May 31, 2017 or while stock lasts at TLG Peterbilt locations only.
